

Recommended Websites

Peregrine Falcon Page of Pennsylvania (Mrs. Rowan's current favorite site)

This is my favorite website at this time of the year, because of the webcam that they have on the Falcon nest on the Rachel Carson Building in Harrisburg. You will be able to watch the progress as the 5 eggs hatch and the chicks develop over the next few weeks.

Bucks County Library

This will allow you to access the card catalog and also online resources.

www.buckslib.org

Notable Children's Books

Compiled by the American Library association this is a list that divided by age (Young, Middle, and Older Readers). Included are the author title and short synopsis of each book as well as any awards received for each title.
